

Information and Documents Required for Exiting Hawaii

Important things to remember: ¼ tank of gas or less; no personal belongings allowed in the vehicle; all glass must be intact, no chips or cracks. Transit time is 3-5 weeks and is dependent upon port volume, weather, etc.).

Documents required (all documents must be legible):

Do you hold clear title to your vehicle? If so, we will require a copy of front and back of the Title;

If you do not hold clear title, then we require a copy of the front and back of title, plus a copy of an Authorization Letter from your financial institution permitting us to transport your vehicle.

Copy of the Registration

Please fill out attached Power of Attorney (POA). The POA authorizes us to deliver your vehicle to the port on your behalf. Please leave the first line blank for the driver's name. If there is more than one person listed on the title, both names must appear on POA exactly as they appear on the title. The POA must be notarized, with the original presented to the driver at the time of pick up, and a copy sent to me. (Please make sure that the Notary Seal shows up on the copy of the POA sent to me. Rubbing a pencil lightly over the seal can make it more legible).

If you have access to a scanner, please scan and email (scanning provides better copies); if you do not have access to a scanner, please fax to me.

General Procedures:

We will call the day prior to pick up to go over pick-up procedures. The driver will call prior to pick up and delivery. We will keep you updated throughout the move via email and phone calls. At pick up and delivery, please walk around the vehicle with the driver while he does his inspection, sign off on that and note the mileage. No personal belongings allowed in the vehicle. 1/4 tank of gas or less. Glass must be intact, no chips or cracks. If the driver cannot get to your front door due to weight restrictions on the road or low-hanging branches, etc., he might ask you to meet him at a nearby parking lot to load or unload. We contract drivers throughout the country, so his truck will not say Reindeer, but his paperwork will.
