

Information and Documentation Required for Exiting Puerto Rico

For vehicles exiting Puerto Rico, copies of the following legible documents will be required from shipper:

- 1. Registration;**
- 2. Title (front and back), or original Lien Letter authorizing shipment;**
- 3. driver's license;**
- 4. Social Security card.**

Our local agent in PR will contact shipper to make sure the following local procedures are taken care of:

- 1. Motor and undercarriage of vehicle must be steam cleaned, and shipper must provide a receipt indicating steam cleaning was done;**
- 2. Shipper must obtain a letter from Public Works indicating there are no outstanding traffic fines (letter is only valid for three (3) days;**
- 3. Shipper must take vehicle to the Stolen Vehicle office with receipt showing steam cleaning completed, letter indicating no traffic fines, and documents listed above, to have pre-inspection done.**

Vehicles must be free of personal belongings, have ¼ tank of gas or less, and license plates removed.
